INTRODUCTION

Letters patent were granted to the Association on the 23rd day of July, 1910, and the first Constitution and By-Laws were adopted at a meeting in Welland on the 2nd day of August, 1910.

The name remained the same until the 3rd day of August 1963, when it was updated to “The Fire Fighters Association of Ontario”, it being readily accepted that the name “fireman” no longer conveyed the true meaning.

Further changes to the Constitution and By-Laws took place on the 5th day of November 1978.

On Sunday, November 6, 1983, the membership officially adopted into the Constitution and By-Laws “The Fire Fighters Medal of Merit”, which is awarded to any firefighter in the Province of Ontario, at the Association's Annual Meeting. This medal is to recognize meritorious service.

It is interesting to note that some of the departments active in those bygone days are still active members of the Association. Some of them are Merritton, Milton, Mount Forest, Thorold, and Welland, to name a few. Somewhere along the way the idea of having a quarterly Executive meeting has been lost and now there are several. Those Quarterly Executive meetings changed into general quarterly meetings, which now can have as many as 275 to 400 delegates, life members and visitors from across Ontario, with the Annual Meeting being held on the first weekend of August.

Some of the glamour has gone from the old time conventions when train loads of delegates traveled across Ontario to the meetings. Prize money for the competitions has gone to the point where a token payment is made nowadays. Prizes in the early days were in the hundreds of dollars.

However, this could not be considered as downgrading today's conventions. Competition is just as fierce. Interest and participation are as strong as ever.

Our Association has had a glorious past and with the help of all firefighters across Ontario, we can go on to even greater things in the future.

The Firefighters' Association of Ontario

This Association had its beginning at a meeting of volunteer firemen, which was held in the Forester's Building in the city of Toronto, on the 29th day of August and the 1st day of September, 1899. It was decided at this meeting that an association should be formed to be known as "The Volunteer Firemen's Association of Ontario", for the annual exchange of opinions as to the best appliances for the modes of firefighting and as to all other matters affecting the progress and welfare of volunteer firemen throughout the Province of Ontario.

On August 2nd 1909, at Paris Ontario, the Association was expanded so as to render membership in, and make the benefits to be derived from said association, available alike to volunteer, full paid, partly paid, exempt the veteran firemen, the interest all being practically identical. Then the name was changed to "The Firemen's Association of Ontario".

And whereas, according and pursuant to said resolution, the name "The Volunteer Firemen's Association of Ontario", has been changed to "The Fireman's Association of Ontario", and the same has been duly adopted.

And, whereas, the new Association has been incorporated by Letters Patent, granted on the 23rd day of July, 1910, and approved and adopted by the said Association on the day hereinafter mentioned.

Therefore, we, the members of this Association, now being the Fireman's Association of Ontario, in convention assembled at Welland, this 2nd day of August 1910, hereby adopt the following Constitution and By-Laws.

Therefore, we, the members of this Association, now being the "Firefighters' Association of Ontario, in general meeting assembled at Alliston, this 5th day of November 1978, hereby adopt the following Constitution and By-Laws.

Therefore, we, the members of this Association, now being the Firefighters' Association of Ontario, in general meeting assembled at Port Elgin, this 3rd day of March, 1985, hereby adopt the following Constitution and By-Laws.

Therefore, we, the members of this Association, now being the Firefighters' Association of Ontario, assembled in Milton, this 31st day of July, 1993, hereby adopt the following Constitution and By-Laws.

MEDAL OF MERIT

4.1 INTRODUCTION

- 4.1.1. On this day, Sunday November 6th 1983, the Fire Fighters Association of Ontario, in agreement with the Ontario Mutual Insurance Association, do hereby approve the presentation of the Firefighters Medal of Merit, to be presented for meritorious service above and beyond the call of duty.
- 4.1.2. The overall design of the Medal of Merit incorporates the traditional Maltese Cross and the Fire Fighters Association of Ontario Official Seal (a fire fighter carrying a person from a fire).
- 4.1.3. The Medal of Merit may be presented annually at the F. F. A. O. Annual Meeting for meritorious acts performed during the previous calendar year (January 1 – December 31).
- 4.1.4. Nominations are to be presented to the Secretary of the F.F.A.O. no later than March 1st of the year of the presentation. The committee choice will be made by April 30th, and announcement of the recipient to be made at the May Quarterly Meeting of the F.F.A.O.
- 4.1.5. The selection committee may consist of two representatives of the F.F.A.O., two representatives of the O.M.I.A., one representative of the Office of the Fire Marshal and one representative of the Ontario Association of Fire Chiefs.
- 4.1.6. A quorum shall consist of three embers and must include one from the F.F.A.O.

Whereas God, in His infinite wisdom, has removed from our midst...(Names)... in whose passing, this Association has lost sincere, loyal and revered friends, the several communities valued and respected citizens, and the families a kind and devoted member.
AND

Whereas, we shall miss their pleasant companionship and good fellowship, their wise counsel, and their loyalty to the best interests of the Association, and their fellow human beings, and desiring to perpetuate their memory, and to the family of each our sincere sympathy in their bereavement;

Be it resolved: That our hearts go out to them with love and understanding in the loss of their Dear One, and we breathe a prayer that God will give them courage and strength to bear their loss bravely, confident in the knowledge that they have fought the good fight and the have heard the consoling words of the Master, "Well done thou good and faithful servant", They have reached the end of their earthly journey, and their reward will not be transitory, but Eternal and Glorified, AND

Be it further resolved: that a copy of this resolution be forwarded to each of the bereaved families.

May the souls of the faithful departed rest in PEACE and in the name of the Father, and the Son and of The Holy Ghost, Amen.

- 8.3.7.2.(iv)** Use of face shields shall be mandatory.
- 8.3.7.3. EQUIPMENT SHALL CONSIST OF:**
- 8.3.7.3.(i)** Hydrant c/w ¼ turn shut off.
- 8.3.7.3.(ii)** Three 9 liter (2 gallon) plastic buckets for targets (Supplied by FFAO).
- 8.3.7.3.(iii)** Three target stands approximately 2.75m (5 ft.) from the ground with a base of approximately 20cm (8 inches) square.
- 8.3.7.3.(iv)** Three 15m (50ft) lengths of 65mm (2 ½ ") hose.
- 8.3.7.3.(v)** Two 15m (50ft) lengths of 38mm (1 ½ ") hose.
- 8.3.7.3.(vi)** One gated wye 65mm X 38mm X 38mm (2 ½ ' X 1 ½ " X 1 ½ ").
- 8.3.7.3.(vii)** 65mm (2 ½ ") straight bore nozzle (Supplied by FFAO).
- 8.3.7.3.(viii)** Two 38mm (1 ½ ") straight bore nozzles (Supplied by FFAO).
- 8.3.7.4.** Hydrant pressure to be 525 KPA (75 PSI) at the nozzle.
- 8.3.7.5.** Pump pressure to be adequate to provide above.
- 8.3.7.6.** Starting line shall be 15m (50ft) from hydrant.
- 8.3.7.7.** Truck is to be located 3m (10ft) back of the hydrant and 3m (10ft) to the side of the hydrant.
- 8.3.7.8.** Targets shall be 52.5m (175ft) from starting line.
- 8.3.7.9.** Side targets shall be 4.5m (15ft) to each side of the centre target.
- 8.3.7.10.** No coupling shall be left hanging over the side of the truck. Judges decision is final.
- 8.3.7.11. RUNNING OF THE EVENT**
- 8.3.7.11.(i)** Hose load may be arranged any way the participating team wants.
- 8.3.7.11.(ii)** Contestants shall run from the starting line to the truck, remove necessary equipment, and pull out 30m (100ft) of 65mm (2 ½ ") hose, disconnect coupling between second and third lengths, connect the line to the hydrant and knock down the centre target and shut off water.
- 8.3.7.11.(iii)** Coupling between second and third lengths shall be clear of the truck tailgate before disconnecting.
- 8.3.7.11.(iv)** Drop 65mm (2 ½ ") nozzle on ground, break connection between first and second lengths and install gated wye at end of second length.
- 8.3.7.11.(v)** Connect 15m (50ft) of 38mm (1 ½ ") line to each side of gated wye.
- 8.3.7.11.(vi)** Connect straight bore nozzles to ends of 38mm (1 ½ ") lines.
- 8.3.7.11.(vii)** Turn on water and knock down remaining targets, one with each nozzle.
- 8.3.7.12.** All contestants (except nozzle men) must stand clear of all couplings before targets are
